

## **REMARKS**

Reconsideration of the subject application as amended herein is respectfully requested.

The Examiner has indicated claims 1, 4-11 and 13-16 were allowed and that claims 20-22 and 38 contained allowable subject matter. The Examiner has previously indicated in the Office Action of April 6, 2006 that claims 18, 19 and 24 also contained allowable subject matter. Accordingly, in the previous response of July 13, 2006, the Applications have incorporated the limitations of 18 and 24 into claims 17 and 23. In addition claim 29 was presented that included the limitations of claims 1 and 8; claim 30 was presented and included the limitations of claims 11 and 13; claim 31 was presented and included the limitations of claims 17 and 19; and claim 32 was presented and included the limitations of claims 23 and 25. Thus the Applicants do not understand how the Examiner is rejecting some previously allowed claims and respectfully traverses their rejection. However in the interest of expediting prosecution, the Applicants are amending claim 17 to include the limitations of claims 18, 19 and allowable claim 20 and claim 33 is amended to include the limitations of allowed claim 38. The other claims are cancelled.

It is respectfully submitted that the subject application is now in condition for allowance.

Respectfully submitted,
